INFORMATION DISCLOSURE STATEMENT

Sir:

In order to comply with Applicant's duty of disclosure under 37 C.F.R. § 1.56, transmitted herewith are Form PTO/SB/08A and one copy of each document listed thereon (except for patent applications).

Fees required by this document, as set forth in 37 C.F.R. § 1.17(p), may be charged to Deposit Account No. 502391.

The undersigned hereby certifies that each item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. 37 C.F.R. § 1.97(e)(1)

The undersigned hereby certifies that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the statement after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56 (c) more than three months prior to the filing of the statement

The relevance of any enclosed non-English language document(s) is concisely explained as follows:
